Elevate Your Banking Experience

Now that you have a Popular business checking account, take advantage of all the benefits and services available to you. Manage your cash flow, and your time, with these essential tools.

Business Online Banking
Control your accounts from the convenience of your PC or smartphone. We have three solutions designed to fit your business needs.

- **Essentials.** See real time account activity, pay bills, set up customer alerts, perform account transfers, view 18 months of transaction history, and download activity to QuickBooks®. Access up to three business accounts at no additional cost.
- **Payments Pro.** Includes additional features, such as ACH payments, ideal for payroll direct deposits. Assign different levels of access for multiple users.
- **Cash Manager.** This more robust package lets you pay and collect funds via ACH, including state and federal tax ACH payments, domestic and international wire transfers, and premium reporting with customized reports. Access up to five accounts at no additional cost.

Which Solution Is Right for Me?

**If your business needs:**
- Internet banking to view account information and make mobile deposits
- Account transaction history downloadable into spreadsheet format or your accounting software
- Notifications for checks clearing, deposits or other balance changes

**Essentials** may be right for you.

**If your business requires:**
- ACH direct deposit capabilities for payroll
- Ability to pay vendors electronically
- Flexibility for multiple users with different roles and access levels

**Payments Pro.** may be right for you.

**If your business needs a more robust system, including:**
- Ability to direct debit your customer’s account for accounts receivables
- Electronically transfer money from various financial institutions into your main operating account
- Ability to make same day wire payments or next day ACH payments to vendors

**Cash Manager** may be right for you.

- Mastercard®
- JCB®
- Diner’s Club International®

Point-of-Sale Payments

Customer choice, speed, accuracy, data security, and competitive rates result in measurable benefits for your business. Accept virtually every payment option, including credit, debit, EBT, gift cards, andACH. For customers who prefer to pay by check, First Data offers TeleCheck Electronic Check Acceptance®, which helps reduce the risk of accepting checks while minimizing traditional bank fees and processing costs. You will also benefit from:

- Proven dependability, with 99.99% uptime
- Consolidated, next-day funding for all major credit cards1
- 24/7 service and support, 365 days a year
- Enhanced security and regulatory compliance to help ensure compliance with payment network rules and regulations
- Flexible reporting systems, including paper-based and online options
- Competitive pricing on terminals and processing solutions
- International payment processing

Loyalty Programs

First Data’s turnkey loyalty solutions help drive the frequency of customer visits, increase customer loyalty, and boost customer spending. Their user-friendly, online interface lets you select from standard programs and customizable campaigns. Simple implementation and easy-to-use tools get your program up and running quickly. Real-time rewards and customer communications at the point of sale — like printing a coupon on the receipt — make these solutions work for employees and customers.

Internet and Telephone Payments

If you’re doing business over the Internet, by phone or mail, or in any card-not-present (CNP) environment, First Data provides the reliability and security you need. Their fully integrated Web services offer convenient, secure online shopping regardless of your customers’ payment preferences, including:

- Credit, debit and check acceptance for online, telephone and mail-order transactions
- Turning of any PC with Internet access into a point-of-sale terminal

Gift Cards

Reduce costs, build loyalty, and increase sales and profits by offering gift cards. This First Data solution includes simple order forms, an intuitive point-of-sale application, and packages that include gift cards with your logo and merchandising materials — all to help you quickly establish and manage your business-branded gift card program.

Terminals and Point-of-Sale Solutions

Process virtually any payment type with First Data’s comprehensive suite of cost-effective terminals and peripherals. Get performance, security, reliability, and ease of use plus adoptability when your processing needs change. From all-in-one countertop models to wireless solutions for businesses on the go, First Data offers the choice and technology you need. First Data terminals feature:

- Ultra-fast processors
- High-speed, built-in printers
- IP and dial-up connectivity, with optional Wi-Fi
- Intuitive, touch-screen interfaces
- Lease, rental, and purchase options

Retail and Restaurant Solutions

The First Data™ Retail and Restaurant Solutions are cost-effective, all-in-one, PC-based systems that enable smaller retailers and restaurants to manage their businesses “just like the big guys,” without the “big guy” price. They allow you to process payments, manage inventory and menu items, track sales, control costs, manage employees, and improve customer service.

Paycards

Prepaid debit card programs for both employees and customers offer convenience, savings, and security. First Data Payroll Distribution Service provides:

- Cost savings, security, and control of paperless payroll for your business
- An option for employee payment through a reloadable debit card, immediate access to wages through ATMs and check-cashing locations, the ability to write checks, and 24/7 bilingual support in English and Spanish

EMV Card Transactions

Transactions using EMV cards are fast and easy for merchants and customers. EMV works with contactless cards, phones and fobs using your unique chip. Upgrading can help you accept additional payment types, such as Apple Pay®, which could give you a competitive differentiator in your marketplace while increasing the security of your sales transactions.

Make Deposits at Your Desk

Our Image Remote Deposit service lets you deposit large volumes of checks at your business, delivering check images electronically over a secure Internet connection.1

- **Convenience and added efficiency.** Checks are deposited right from your office — no branch visit needed.2

- **Reduced expenses.** No more couriers delivering deposits. All your deposits can be made to one Popular account regardless of your location, reducing the need to maintain multiple bank accounts for geographically dispersed locations. Plus a desktop scanner is included as part of the service.3

- **Electronic access.** Images can be searched, retrieved, saved and printed. Detailed reporting is available for current and past deposit data, and can be exported for data analysis.

How Image Remote Deposit Works

1) **Scan.** Popular equips your business with the necessary technology — a small, tabletop check scanner and complimentary software. Using the scanner connected to your PC, deposit tickets and checks are captured electronically. You can even scan multiple checks at the same time.

2) **Process.** Simple screens guide you through the preparation and scanning of electronic deposit batches.

3) **Send.** When ready, you approve the transmission to the bank. The bank then receives the electronic deposit file and posts it to your account, processing the images instead of the original paper items.

4) **Verify.** An email verification is sent to you, automatically confirming receipt of the deposit.

Manage Your Money: Image Remote Deposit

Deposit Checks on the Go

Maximize the convenience of Business Mobile Banking with the ability to deposit checks using your smartphone. Mobile Remote Deposit Capture (RDC) for Business is a secure and efficient method to handle check deposits when not at your office.

- **Mobile RDC is fully integrated to our Business Mobile Banking application.**

- **If you have multiple users with access to Business Mobile Banking, the Business Online Banking system administrator has the ability to enable Mobile RDC, at the user level and the account level!**

Remember, Mobile RDC is easy, convenient, and always available. **Sign up today.**

Use your smartphone to make deposits.

Stop rushing to the bank or to your office. Let Mobile RDC help you maintain effective cash flow.

Institutional Capacity, Personal Touch

As a proven and experienced lender, Popular has the ability to provide loans to meet almost any financing need. We have the flexibility and industry expertise to work with our customers.

In addition to our standard loans and lines, we offer specialized lending services, including:

Healthcare
Popular offers a range of strategic financing services, including acquisition financing, equity recap, bridge financing, and capital improvement loans — on a national platform. Our dedicated experts service many different market segments, including the senior housing market, post-acute care, and healthcare facilities, along with a variety of other asset classes within the industry.

Real Estate
We work within several areas, including multi-family housing, commercial retail and commercial office markets, offering financing solutions for expansion, building, or buying.

Middle Market
Popular is a steady provider of credit to mid-sized businesses. Our Middle Market lending professionals are proud to have enabled many success stories and are committed to forging many more. We focus on growing businesses with borrowing needs up to $25 million. Plus, we provide a full suite of cash management services to help with national and international business transactions.

Community Associations
Popular Association Banking (PAB) is a nationwide leader in providing financial products and services to community associations. With an active lending platform in over 30 states, we can help reduce strain on existing budgets and help eliminate the need for costly upfront special assessments. Our goal is to make banking easy, so your association can run smoothly and focus on making your community a great place to live.

Highlights of our loan program include personalized service, flexible loan structures, and competitive fixed rates up to 15 years. In addition to financing, we offer a full array of depository products, including ICS® and CDARS®, which affords you the peace of mind knowing your association’s deposits are eligible for multi-million-dollar FDIC insurance. Lockbox and cash management services are also available.

1. All loans and lines of credit are subject to credit approval. • ICS and CDARS are registered servicemarks of the Promontory Interfinancial Network, LLC.

Protect the business you’ve worked hard to build. Call 1.866.689.0365 today to schedule an appointment for your complimentary consultation.

Put Your Money to Work

Popular can help you earn interest on your idle funds. We offer two ways to maximize your savings:

Business Money Market

Earn interest income while getting liquidity, flexibility, and a competitive return on deposits. Plus, enjoy peace of mind knowing your money is FDIC insured up to the maximum amount as permitted by law.

- Up to six withdrawals per cycle
- Access to more than 55,000 surcharge-free Allpoint ATMs worldwide with a Mastercard® Business Debit Card

Business Certificates of Deposit

Popular’s Business CDs are safe, fixed-rate investments with varying maturities. With our competitive rates, these CDs are a perfect savings solution to maximize your company’s interest income.

- Minimum Opening Balance: $1,000
- Flexible maturity dates with terms from one month to ten years
- Guaranteed rate of return

1. For money market accounts, you are permitted to make up to six transfers and withdrawals or any combination thereof per statement cycle (or similar period) by means of a preauthorized or automatic transfer, withdrawal by check, draft, debit card or transfer or withdrawal by online bill pay or by phone. These limitations are applied according to the date when the transaction is posted to the account and not the date when the check is written or the transfer is authorized. The limits do not apply to withdrawals made at a banking center, by ATM or by mail.
2. Surcharge-free access to Allpoint ATMs only applies to ATM access or withdrawals completed with a Popular Mastercard® Business Debit Card. Popular Bank and its affiliates are not affiliated with ATM National, LLC. Allpoint is a registered trademark of ATM National, LLC.
3. A penalty will be imposed for early withdrawal. Fees may reduce earnings on the account.

Think Ahead: Business Savings

Think Ahead: Invest and Protect

At Popular Investments, we know that the savings and investment decisions you make today will impact your financial future. Let us help guide you.
Introducing the Bank at Work Program

As a business owner, you care about achieving business goals but you also pay attention to the big picture — like providing for the continued success of your business and securing the financial future for you, your family, and your employees.

That’s why our solutions serve you beyond your business. In addition to business products and services, we provide an array of personal checking and savings accounts, mortgages and consumer loans, as well as access to investment services.1 The Bank at Work Program gives your employees full access to our products and services.

We Bring the Bank to You

The Bank at Work Program helps employees in the convenience of their workplace. We tailor our product offering to their needs and can even provide home-buying and investment seminars. We work with you and your employees’ schedules. It’s easy and it’s free.

Because Life Is about More than Money

You are important to us. Make the most of it by taking advantage of all we have to offer.

Help Improve Their Lifestyle

Your employees may be faced with financial stress. Let us help you empower them by informing them about their options, identifying their unique needs and goals, and helping them manage their financial needs — while reducing expenses and maximizing their benefits and their money.

You may benefit from a more productive workforce in the process.

Help Them Reach Their Dreams

Your employees have big dreams. Maybe it’s buying a home or refinancing a mortgage. Maybe it’s consolidating debt, going on a vacation, or sending their child to college. One of our products and services can help turn their dreams into reality.

If your employees are interested in taking out a home equity line, personal loan, or secured line of credit, our loan specialists can help guide them through every step of the way. They can also reduce their loan rates on our already competitively-priced loans. By choosing the auto-debit option to have their monthly payments automatically deducted from their Popular Bank deposit account, employees can save up to 0.25%.5

Help Them Shape Their Future

Popular can assist your employees in planning and investing for major life events, including choosing the right financial instruments for retirement and wealth accumulation. Through Popular Investments, our Financial Consultants (Infinex Investments, Inc.) offer free advice6 to help them plan for their future and make informed choices.3

Do Your Employees Want Direct Deposit?

With any of our checking accounts,1 your employees’ payroll checks can be automatically deposited into their new accounts. This saves time and money on check cashing fees and helps your business eliminate the cost of payroll checks. If your business is not set up for direct deposit yet, we will guide you through the enrollment process, clarify questions, and provide assistance.

Plus, all of our checking accounts come with free online bill pay so your employees can pay all of their bills — utilities, credit cards, car payment, mortgage, cell phone, doctors’ bills, and more! It’s dependable and fast because automatic payments will always be on time, with no envelopes, no stamps, and no hassle.
