Managing Your Money: Checking Accounts

Our Checking Accounts

**Popular Prestige Checking**
Earn interest on your balance with Popular Prestige Checking. As a Prestige client, receive Popular Rewards and enjoy tiered benefits based on your combined account balances. For more information, see pages 4–5.

**Avoid the fee.** Maintain $2,000 in average monthly checking balance or a combined average monthly deposit balance of $5,000 between this product and certain other deposit products, and avoid a monthly service fee of $12. Your average monthly checking balance is the sum of the daily account end-of-day balance, after all debits and credits have been processed, divided by the number of days within the statement cycle. The average monthly deposit balance is the sum of the average daily balance on all deposit accounts, after all debits and credits have been processed, divided by the number of days within the statement cycle.

**Popular Everyday Checking**
With Popular Everyday Checking, manage your money on your time. It’s the simple and convenient option for all your basic checking account needs.

**Avoid the fee.** Maintain $1,000 in average monthly checking balance or by setting regular monthly direct deposit of a minimum aggregate amount of $750, and avoid a monthly service fee of $10. Your average monthly checking balance is the sum of the daily account end-of-day balance, after all debits and credits have been processed, divided by the number of days within the statement cycle.

Maximize Your Money: IRAs

It’s Never Too Early to Start Thinking about Retirement

Will you have enough money to live comfortably? Pension plans and Social Security payments may not provide a sufficient source of income. That’s why opening a tax-advantaged Individual Retirement Account (IRA) can be so important. We offer a variety of long-term savings choices to help you minimize taxes and maximize your savings for the future.

Make the Most of Your IRA

Get steady growth in secure, FDIC-insured accounts.1 Our Traditional and Roth IRA CDs offer:

- Very competitive rates
- Terms from 3 months to 10 years
- Minimum opening deposit as low as $5002
- Flexibility of choosing the exact maturity date
- Higher interest rates for higher account balances3

Traditional IRA

Traditional IRAs offer tax-deferred interest growth to all participants. Wage earners who are under 70½ years of age for the entire tax year may make annual contributions4 and enjoy the benefits of building a sizable retirement fund, without being depleted by taxes. Your earnings will only be taxed once you begin taking out distributions in retirement, when it’s likely you’ll be in a lower tax bracket.5

Roth IRA

Roth IRAs offer tax-free earnings to those who qualify.6 Although contributions to a Roth IRA are not tax deductible, individuals may find a Roth IRA more attractive. They have:

- Higher income limits that allow more individuals to qualify for tax benefits
- Tax-free distributions at retirement
- No age limits for making contributions
- No age requirements to begin distributions

Anytime IRA CD7

This special 18-month CD, available for Traditional IRAs, Roth IRAs or Education Savings Accounts allows additional deposits during the term and can be opened with as little as $100.2

Education Savings Account

The Coverdell Education Savings Account is designed to help pay for the cost of education-related expenses, offering tax-free earnings when you save specifically for a child’s education. An annual contribution can be made for each child until the child reaches 18 years of age. These contributions are not tax deductible. The earnings, however, grow tax free and remain tax free when used to pay for eligible elementary, secondary or post-secondary education expenses at a qualified institution.8

Unused funds may be used for another child. For example, if one of your children decides not to go to college, that child’s Education Savings Account funds may be rolled over to one or more of your other children’s accounts.

Catch-up Contributions

Did you know that customers 50 years of age and older can also make additional contributions to both their Traditional and Roth IRAs?4

1. The total of all IRA accounts at Popular under the same name is insured by the FDIC to a combined maximum of $250,000, separately from any other non-retirement accounts you may have with us.1 Penalties apply for early withdrawal from IRA CD accounts. Bank penalties do not apply if the account holder is aged 70½ or older and making required minimum distributions from a Traditional IRA.1 Guaranteed fixed interest rate for the term you choose. Once the IRA CD is opened, no additional deposits are allowed prior to the maturity date.4

2. Up to the maximum allowable government contribution.5 Traditional IRA qualified withdrawals may begin at age 59½ (earlier for qualified circumstances), but by law they must begin by age 70½. Qualified withdrawals are subject to taxation, but are free of IRS penalties.4 Earnings and qualified distributions are tax free as long as the Roth IRA has been open for at least 5 tax years, and you withdraw funds no earlier than age 59½, for a first-time home purchase ($250,000 lifetime maximum), or due to death or permanent disability of the account holder.6 Withdrawal from an Education Savings Account must be used for qualified education purposes (tuition, books, room and board, supplies, fees and equipment), and the portion of any withdrawal that exceeds qualified expenses is subject to taxation and IRS penalties. Earnings on distributions taken when a child wins a scholarship, or due to death or permanent disability are subject to taxation, but not to IRS penalties. The content of this material is for informational purposes only, and does not constitute tax, legal or accounting advice. Popular Bank does not engage in the offering of tax, legal or accounting advice. If legal, tax, or accounting assistance is required, the services of a competent professional should be sought. Not all tax advantages may be available to you. The above is general information regarding IRAs. Specific questions on taxes, contributions, deductible qualifications and withdrawal rules, as they relate to your individual retirement accounts, should be reviewed with your professional tax advisor.
Borrow Funds: Personal Loans

Need Cash Quickly?

A Personal Loan May Be the Answer¹
Consolidate debt, pay off high-interest credit cards, repair a car or make some home improvements — with a fixed rate and payment plan.

Get the Cash You Need and Pay It Back on Terms that Work for You

Whether you need money for an emergency or a planned expense, a personal loan makes it quick and easy to borrow the right amount for you with payments you can afford.

• Unsecured loans range from $2,500 to $50,000.
• Loan terms can range from 12 months to 72 months depending on the loan amount. We’ll help customize your loan so your payment fits your budget.

Ask a Banker about our auto debit service.

Build Your Credit

If you want help establishing or building your credit, our Credit Builder loan may help.² It can be designed around your individual needs with flexible, fixed terms from 12 to 48 months.

Ask a Banker about our auto debit service.

How It Works

A term loan is set up in your name with fixed monthly payments. All loan proceeds are deposited into an interest-bearing savings account. At the end of the term when your loan is paid in full, you get the entire savings balance plus interest earned³ — and you’ll be on the journey toward establishing credit history.

Building your credit can be that easy.

Credit Builder Plan Features

• Loan amounts from $1,000 to $10,000
• Flexible terms

Borrow Funds: Home Equity

Tap into the Value of Your Home³

Your home is your most valuable asset. Use the equity you’ve built to pay for life’s big expenses. Whether you want to consolidate bills, start a home improvement project, fund college expenses, buy a new car or take a vacation, you can use the equity in your home to get the cash you need.

A Popular Equity Advantage Line of Credit can help you reach your goals.

• Free to apply. There are no application fees and no points. Closing costs may apply.⁴
• Tax deductible. The interest you pay may be 100% tax deductible.⁵ Consult your tax advisor to confirm.

Ask a Banker about your auto debit service.

What is the best way to access the equity in my home?

Equity Advantage Line of Credit

• Borrow up to 89.9% of your primary home’s value (up to 80% in Florida). Single family, townhouses, condos, and 2–4 unit residential properties are eligible.
• Borrow as little as $10,000.
• Reolving credit line.
• Access your line by check, a transfer through online banking or a cash advance at a branch

Equity Advantage Line of Credit – Rate Lock Feature⁴

Manage your interest expense. Use your account as a line of credit or establish up to three simultaneous “rate locks” which are fixed-term, fixed-rate loans.
• Provides financial peace of mind during interest rate fluctuations
• Repaid principal balances become part of your line again

Ask a banker for additional details.

Footnotes:

1. All loans subject to credit and property approval. Terms and conditions vary by state, product features and criteria subject to change without notice. Please see a banker for updated information and current rates.
2. All loans subject to credit approval. Individual benefits will vary, assume and bases on custom making monthly payments for this loan and all other credit obligations on time and according to the individual credit terms agreed to. As soon as the savings account is open, a separate “Hold” will be placed on the savings account for the entire term of the loan, funds cannot be withdrawn or transferred and will not be released, including the interest earned, until the loan has been paid in full, including all outstanding fees.
3. The interest or portion of the credit extension that is greater than the fair market value of the dwelling is not tax deductible for Federal income tax purposes.
4. Rate lock offers fixed interest rate loans with a minimum lock amount of $5,000 per request, maximum 3 locked amounts at one time. As it applies to applicable rate locks, loan payments consist of both principal and interest to fully repay the locked portion over the course of the term selected. There is no charge for the first Rate Lock. Each subsequent request will be assessed a $50 fee. This fee is a finance charge that is added to the HELOC account. A $50 fee will also be assessed for converting a Rate Lock back to the variable-rate HELOC account. Please see a banker for updated information and current rates.
5. Interest paid on the equity portion of your loan may be tax deductible. Consult your tax advisor to confirm.

Take Charge of Your Financial Future

Traditional bank savings products offer the security of FDIC insurance, a fixed principal value and rate of return, but they may not provide the growth or income you need to achieve your goals. That’s why it’s important to diversify your savings.

We’ll Help You Make Informed Decisions

There are thousands of investment options available, offering different combinations of risk and return. Sifting through the choices can be time consuming, confusing, and frustrating. Our experts can help design an investment plan to help you achieve your financial goals.

Invest and Protect

At Popular Investments, we know that the decisions you make today will have an impact for years to come.

Annuities and Insurance

Annuities

Fixed Annuities, which are tax deferred, allow you to safely take advantage of competitive fixed interest rates. A fixed annuity is a dependable insurance product that can provide you with steady income in the future.

Variable Annuities combine the tax-deferral benefits of a fixed annuity with the flexibility and performance of an investment fund. You control the investment options and can take advantage of competitive interest rates through market exposure.

Tax-Sheltered Annuities are tax qualified plans offered to employees of non-profit organizations and employees of public school systems.

Immediate Annuities and Index Annuities are also available.

Insurance

Insurance can provide financial protection for your family or business. We offer term, whole life, wealth transfer, and long-term care.
